

## Warranty Conditions Floorify Rigid Vinyl Planks & Tiles

Version:

01/08/2019 EN

### Warranty registration

1. Floorify NV, Kruisboommolenaarstraat 30A, B-8800 Roeselare, Belgium, VAT BE 0655.893.511, registered in the Ghent Register of Legal Entities, Kortrijk department, hereinafter referred to as "Floorify", will handle all complaints with regard to its products in line with the applicable statutory warranty, which can vary from country to country. In addition to this, Floorify offers customers who register their products in its warranty database ([www.floorify.com](http://www.floorify.com)) an extensive supplementary warranty which exceeds the terms and conditions of the existing statutory warranty.
2. This warranty is limited and restricted to the general terms and conditions described below.
3. Registration gives right to the following warranty:
  - XL planks, long planks and big tiles (CL33):
    - 25 years of warranty for residential use
    - 5 years of warranty for commercial use
  - Planks (CL32):
    - 20 years of warranty for residential use
4. The XL planks, long planks, big tiles and planks are defined by the following dimensions:
  - XL planks: 2000 x 240 x 4,5 mm
  - Long planks: 1524 x 225 x 4,5 mm
  - Planks: 1219 x 178 x 4 mm
  - Big tiles: 600 x 900 x 4,5 mm
5. To be eligible for this supplementary warranty a complete and successful registration of the product in the Floorify database is required. For this purpose, you must send an email to [warranty@floorify.com](mailto:warranty@floorify.com) with your name, a clearly legible photo of your proof of purchase (the date on the receipt is considered the starting date of the warranty period) and a legible photo of a box label of the installed floor (this gives us all the necessary information about the product). Once you have registered, we will send you your supplementary warranty certificate.

### The Floorify supplementary warranty is based on the following general terms and conditions:

This supplementary warranty is valid for all Floorify rigid vinyl planks & tiles with a click system and for Floorify accessories (Floorify Comfort Underlay, Floorify matching plinths and profiles). The Floorify warranty can be invoked only if all the conditions stipulated below are satisfied. If there is anything you are uncertain about, please contact Floorify or your distributor.

1. This warranty can be invoked solely by the initial owner and upon the initial installation of the product. It is non-transferable. The person who will be considered the initial owner is the person on whose property the product was initially installed and whose name is printed on the proof of purchase.
2. This warranty applies to all purchases of the Floorify brand product manufactured after the publication date of these warranty terms and conditions.
3. These warranty terms and conditions are applicable only about non-visible defects. Products with visible defects may not be installed in any case whatsoever. Floors and accessories must be thoroughly inspected for material defects under optimum lighting conditions before and during their installation. Installation implies acceptance.

The distributor must be informed within 15 days in writing of such defects. Following this period, complaints will no longer be accepted.

4. Following the discovery of any type of defect, you are in any case obliged to immediately suspend the use or installation of the relevant floors and accessories and to make every reasonable effort to prevent any more or further damage.
5. This warranty is only applicable to defects that are inherent to the products supplied. These defects are defined as all material and production flaws acknowledged by the manufacturer, including delamination or reduced durability of the topcoat and water resistance of the planks and tiles.
6. Floorify rigid vinyl planks and tiles must be installed and maintained in accordance with the Floorify installation and maintenance instructions and the use of approved Floorify accessories. The customer and/or installer must be able to provide a proof of compliance with the installation and maintenance instructions as recommended by the manufacturer. These instructions can be found on the reverse of the box. If the instructions are missing, they can be obtained from the manufacturer or the distributor and/or other sales point, or they can be consulted on [www.floorify.com](http://www.floorify.com). If the installation was not carried out by the end user, the installer must submit at least one copy of the installation and maintenance instructions, as well as the warranty conditions, to the end user (available at [www.floorify.com](http://www.floorify.com)).

These installation and maintenance instructions provide the following information:

- The seeping in of sand and/or dust in the floor must be avoided by placing a suitable mat without a rubber back at all access doors. Note that: Some carpets with synthetic underlay can contain latex, which can cause discolouration to your floor or leave stains behind.
  - Furniture legs must always be provided with suitable protective material. Chairs, armchairs, sofas or furniture on wheels must be equipped with soft wheels. This can be supplemented by a customised protective mat, or protective caps can be placed beneath this furniture to prevent permanent denting.
  - Long-term contact with rubber can cause permanent stains. Do not bring any cigarettes, matches or other hot items in contact with the floor, because these can cause permanent damage.
  - Avoid the use of unsuitable cleaning agents and/or cleaning the floor with too much water, which will cause the subfloor and/or underlay to become wet.
  - All planks and tiles to be used in one and the same flooring project must be ordered at the same time. The compatibility of planks and tiles purchased as separate orders cannot be guaranteed.
7. Damage to the product must be clear and the surface area of the damage must be at least 1cm<sup>2</sup> (1 centimetre squared) per product unit and may not be the result of improper installation, improper or unsuitable maintenance, improper use or accidents, such as, but not limited to, damage of a mechanical nature, such as heavy shocks, scratches (caused by moving furniture around, sharp nails belonging to pets, etc.) or indentations.
  8. What is not covered by this warranty?
    - Accidents, defective or improper use such as scratching, denting, indentation or damage from sand or other abrasive materials caused by the contractor, a service company, the end-user or any other third party;
    - Damage or discolouration during transport that was not detected upon delivery;
    - Damage during storage or treatment prior to installation;
    - Damage attributable to moisture in the underlying surface;
    - Improper maintenance resulting in the loss of lustre or waxy build-up across the topmost surface of the floor. This applies also to damage caused by steam mops;
    - Limited variations in colour, shape or texture between the samples or brochure images and the actual floor;
    - Damage attributable to renovation or construction-related activities;
    - Exposure to extreme temperature fluctuations;
    - The floor may not be installed in areas where it will occasionally be exposed to extremely high temperatures (saunas, verandas, etc.) exceeding 45°C;
    - Reduced lustre shall not be deemed to constitute wear and tear of the surface. Superficial scratches in the top layer caused by day-to-day use must be accepted as normal.
  9. Floorify reserves the right and must be granted the possibility to investigate the complaint on-site and - if applicable - inspect the floor in its installed condition.
  10. Then liability arising from this warranty is limited to hidden defects, particularly defects that were not visible before or during the installation of the floors. Floorify is not liable for the cost of labour, the cost of installation or any costs of a similar nature. Any costs incurred for the removal and replacement of the material are to be borne by the buyer. If the product was originally installed by a professional installer, Floorify will cover the reasonable

costs of labour, in conformity with the market. Floorify can never be held liable for any secondary damage. Floorify NV is in no way responsible for any loss of time, inconvenience, expenses, costs or any other circumstantial damage, exceptional damage or incidental damage, caused by or arising as a direct or indirect result of a problem for which a complaint was lodged.

11. Floorify will repair or replace the product at its own discretion. If a decision is made to replace the floor, only new floors from the range that is in stock at the moment that the complaint is accepted will be supplied by the distributor or other sales point. No other form of compensation will be possible.
12. No other explicit or implicit guarantees will be provided, including suitability for sale or for a specific purpose.
13. These warranty conditions are governed by Belgian law. All disputes will be settled by the competent court of the court district in which Floorify has its registered offices.  
This warranty will entitle you to specific legal rights. It may be possible that you have other rights as well, but this can vary from country to country.

### **Residential use Floorify XL planks, long planks & big tiles: a 25-year product warranty**

The general Floorify residential 25-year warranty applies only to floors installed inside for residential use. For other applications: see the "commercial warranty" below.

This 25-year product warranty only applies to Floorify XL planks, long planks and big tiles (CL 33):

- XL planks: 2000 x 240 x 4,5 mm
- Long planks: 1524 x 225 x 4,5 mm
- Big tiles: 600 x 900 x 4,5 mm

1. This warranty is valid for a period of 25 years for the product as from the date of purchase. The date of purchase is the invoice date. The original proof of purchase or invoice, provided with the date and the distributor's stamp, must be submitted. The general terms and conditions of the warranty as stated above shall apply.
2. This warranty is a full warranty for the first 10 years following the installation of the floor  
After the initial 10 years, the warranty will be applied on a pro rata basis. A pro rata warranty is a warranty in which the possible intervention of Floorify will decrease according to a fixed formula in proportion to the expiration of the warranty period. When this is applied, account must be taken of a partial annual reduction of 1/15th of the value per remaining year following the initial 10 years.
3. All services provided within the framework of this warranty will not extend the original warranty term, nor give rise to the start of a new warranty term.

### **Residential use Floorify planks: a 20-year product warranty**

The general Floorify residential 20-year warranty applies only to floors installed inside for residential use.

This 20-year product warranty only applies to Floorify planks (CL 32):

- Planks: 1219 x 178 x 4 mm

1. This warranty is valid for a period of 20 years for the product as from the date of purchase. The date of purchase is the invoice date. The original proof of purchase or invoice, provided with the date and the distributor's stamp, must be submitted. The general terms and conditions of the warranty as stated above shall apply.
4. This warranty is a full warranty for the first 10 years following the installation of the floor  
After the initial 10 years, the warranty will be applied on a pro rata basis. A pro rata warranty is a warranty in which the possible intervention of Floorify will decrease according to a fixed formula in proportion to the expiration of the warranty period. When this is applied, account must be taken of a partial annual reduction of 1/10th of the value per remaining year following the initial 10 years.
5. All services provided within the framework of this warranty will not extend the original warranty term, nor give rise to the start of a new warranty term.

### **Commercial use Floorify XL planks, long planks & big tiles: a 5-year product warranty**

The warranty for use in commercial applications is valid for a period of 5 years starting from the date of purchase by the original buyer (the original invoice is the only valid proof of purchase) for use in commercial activities in buildings, to all of which the general warranty conditions referred to above apply.

This 5-year product warranty applies only to Floorify XL planks, long planks and big tiles (CL 33):

- XL planks: 2000 x 240 x 4,5 mm
- Long planks: 1524 x 225 x 4,5 mm
- Big tiles: 600 x 900 x 4,5 mm

1. The commercial warranty as referred to above does not cover:

- All catering facilities such as, but not limited, restaurants, cafeterias, cafés, dancing establishments;
- All institutional application such as, but not limited to, hospitals and government buildings;
- Locations at which intensive commercial activities take place such as, but not limited to, airports, lobbies, schools and beauty salons; and
- Other locations with substantial pedestrian traffic and direct access to public roads.
- Suitable Floorify profiles: metal profiles must be used for commercial applications.

2. For locations and applications that are not covered by the regular commercial 5-year warranty, or for parties to whom a warranty in excess of 5 years is desirable, a specific warranty of up to 15 years can be negotiated in consultation with your distributor or with Floorify.

We highly recommend contacting your distributor or Floorify to discuss your commercial project before you start in order to select the most appropriate Floorify floor and accessories

### **How to lodge a complaint under this warranty?**

For every service provided under this warranty you can contact your local Floorify distributor. Please do so as quickly as possible, and in any case within one month after discovering the flaw or defect, considering that after this period you will no longer be eligible to invoke this warranty.

Be certain to submit your distributor proof of your extensive warranty, your proof of purchase provided with a date and a stamp of the distributor or other sales channel, identification of the relevant product, a description of the complaint illustrated by clear photographs, the surface area of the affected floor and all other data relevant to the complaint. Once the distributor has verified the complaint, the distributor will inform a FLOORIFY representative and, if necessary, schedule an inspection. If you are unable to contact your distributor or are not satisfied with your distributor's recommendations, you can contact FLOORIFY NV at the following address:
